

Pattonville High School PTO Officers and Committee Chairpersons 2017 – 2018 School Year

The PTO mission to provide support to students and staff of Pattonville High School is achieved by asking members of PTO to participate in various school sanctioned events. PTO members facilitate the sales of Homecoming and Prom dance tickets, and help with Pirate Code events like *No Tardy Party*. These events are held in-school during normal school hours and the request for volunteers is made by school officials. School staff and administrators also request PTO volunteers for various after-school and evening events.

The Pattonville High School PTO also provides College Scholarships to qualified graduating seniors and Grants for undergraduate students planning to attend any fine arts, academic or leadership program or camp. Applicants for scholarships and grants must be a resident of a member's household.

Please consider being an active member of PTO. Listed below are the PTO Committee descriptions. If you are interested in serving as a chairperson, please complete the attached form and return it to the PHS PTO at your earliest convenience.

___ **CONCESSIONS CHAIRPERSON – FALL Sports:** Work with the VP/Concessions Coordinator to facilitate concessions for all home games and tournaments.
