

PHS PTO SCHOLARSHIPS FOR OUR 2017 GRADUATING SENIORS

Our PTO members began the work back on August 21 in the PHS Stadium concession stands. These efforts, along with our winter and spring events, should allow us to give out over \$15,000 in scholarships to some graduating seniors. In addition we will give out over \$1,500 in grants for students attending Academic, Fine Arts, or Leadership programs or camps, \$700 in support of the high school's incentive programs for Pirate Pride, \$500 for the Senior All Night Party, and much more...

PHS PTO Scholarship Application Instructions will be available after the first of the year. The instructions for the application will be available on the [Pattonville High School PTO Website](#) and in the PHS College Center. The deadline for submitting an application ONLINE is **Saturday, April 1 at 4PM**. Late submissions will not be considered. ONLINE submission is the only way that a scholarship application will be considered.

Participation hours are made up of anything PTO sponsored that is signed up for through VolunteerSpot. They are tracked using your email address. If you want a list of hours that you have worked, register your email (not the same as signing up for a spot) with VolunteerSpot and then email their support requesting your hours, OR...there is a wonderful smartphone APP that allows you to look up and track your own hours.
