

Day 1 of Last Day Advisory Lesson

Explanation for students

Teachers: Below are the options that students will have for the last day of school. Students will complete a survey on Wednesday where they will select which activities they would like to participate in on that day. Please read over the options below and explanations provided.

- 1) Basketball
- 2) Hockey
- 3) Dodgeball
- 4) Mattball
- 5) Soccer
- 6) Flag Football
- 7) Kickball

8) Movies that are in back to back blocks will be shown in entirety. Movies that are scheduled for only one block will only be shown for that block only and students will not see the second half of the movie.

9) Tug of war:

Groups will divide into teams and compete to see who is the strongest.

10) Hidden Football:

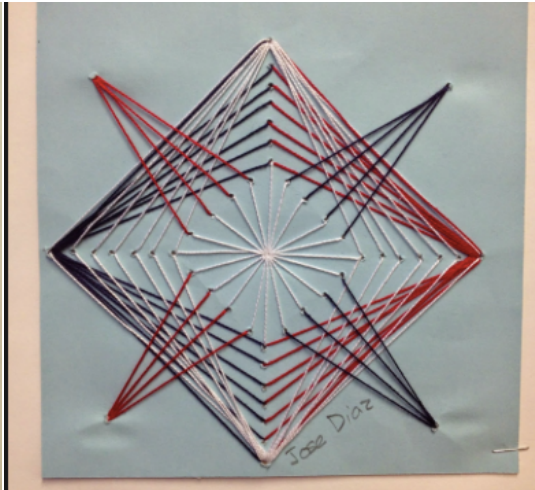

Students played hidden football in both Gym A and Gym B this year. This is similar to flag football but the "football" is a small object like a six sided die. The team with the "football" huddle up and hide the football in one student's hand. Then all students act as though they have the "ball" when the play is called. All students on offense run to their end zone. If the students with the hidden "football" get to the end zone without being discovered, their team scores a point.

11) Drawing:

Supplies will be provided for students to draw or design their own personal artwork.

12) String Art:

Students will take patterns, needles and thread and create their own works of art.

13) Kahoot it:

Students will be allowed and encouraged to bring their own device or friends device (very few laptops will be available).

14) Just Dance:

Dancing game played with a Wii.

15) Walking the track:

Students will have an opportunity to walk the track with their friends and enjoy the outdoors.

16) Chat Room:

A classroom will be provided indoors for students to visit with their friends and just hang out.
